Arjun Kapoor and Malaika Arora are a 9 Birthpath, which brings a deep insight into, or understanding of, life in all its aspects. Mystics call it the number of love, referring to the highest essence of universal and personal love. They can be prudent, seeing the serious side of life, as well as understanding, and appreciate the ridiculous side. When living up to their higher nature, they are warm hearted, sympathetic and must minister to humanity. While they have a deep love of home and home life, their home may be frequently broken up or rendered unpleasant in some way. If that happens and their negative side shows, they may become materialistic and selfish. They must learn to control any violent temper in that case, since it would render their home unpleasant to live in. Being the number of love, 9's can sink very low if their love of self becomes uncontrolled.
